I, the undersigned beg to bring the following few lines for your kind consideration and favourable orders

I am a resident of Nanjangud Town and I am paying Rs.16/- as Municipal Tax. I follow my hereditary occupation of Smithy. I belong to the Viswekarma Community, which, as you are aware, is very backward and a minority community having regard to its population. As such, it is not in a position to contest in the General Elections and even if contested there is no hope of its being supported by the people of majority communities. Though my community is a backward one both in Educational and Political fields and a minority community as regards its population, yet its importance as an industrial community cannot be ignored. I am doing service to the people of the Town to the best of my ability and want to serve them more through the Municipality by becoming a member thereof, if you are pleased I am also educated and can give practical suggestions to the improvement of the Municipal affairs It will be a discouragement indeed if on account of the backwardness of my community , I am disabled to become a member of the Municipality even in the nominations to be made. Moreover, this community of mine, is not at all given a chance in the Municipal

Sir,

I am an inhabitant of Nanjangud Town, owning house property therein I have been running a private Primary & Nursery School since last four years

The Government of Mysore has been pleased to nominate Lady Councilors to a number of Municipal Councils Though the Government has graciously extended franchise to women, it has been practically impossible for women to get in through elections

2727 Being advised by some of the parents of School children, I contested for a seat in the Municipal Elections of Nanjangud Town, that took place on the 27th of this month The independent candidates, the Congress candidates also contested The old nobled people also were up in arms against me All these three forces were heavy odds against and I lost the elections. The last successful candidate who was a Congress nominee got 126, while I got 124 votes. The difference of two votes brought me the failure.

I request you therefore Sir, to be kind enough, to recommend to the Government of Mysore to nominate a lady to the Municipal Council of Nanjangud.

I am a very longstanding cloth Merchant at Nanjangud and I belong to the "BHAVASARA KSHTRIYA" Community which is a Minority Community consisting about 500 Population. Previously many of our People have stood and Failed in the Municipal elections and have seldom had rare chances of success It has been already in your notice that Municipal General election is practically over and in this connection I wish to submit my humble application for NOMINATION in the coming Municipal council.

At the same time I wish to bring to your notice that the present Municipal President has been returned successful in the recent General election, by hook or Crook, and there is a strong roumor that he is again contesting for the president-ship in the Municipal Council, and is already alert in driving some of the minority people to madness. He has been openly canvassing, that he would only recommend Nomination Applications to the Government provided they assure him giveing their Consent and vote for him during the Presidential

It would be of some service to the public if the Nominations are allowed apart-from these Local Influences

My desire may kindly be entertained in the interest of justice and I may be given a chance, nominating me in the said Municipal Council. to serve the cause of the public particularly in the interest of our minority Community.

The Minister for Local Self Government,
Govt.of His highness The Maharaja of Mysore,
Bangalore.

Respected Sir,

We the residents of Nanjangud town belonging to the Adi-Karnataka Community, beg to bring to your kind notice the following facts for kind and favourable consideration.

We learn that one Maraiah of our community has applied for nomination to The Town Municipal Council which is to be newly reconstituted from 15-5-47. In this connection we beg to state that the said Maraiah is a respectable young man of our community, moderately educated and is full of enthusiasm to serve the cause of the depressed community. We have also learnt with regret that one Mr Doddanandjaiah, who is a nominated councillor for the past 8 to 10 years has also applied for nomination. We request you to permit us to state that the said Doddanandjaiah is an old gentleman who is incapable of active habbits and has done nothing to better the cause of our community people and has alienated the sympathies of us all.

Under these circumstances, we respectfully approach you to be pleased to nominate Mari M to the newly constituted council of Nanjangud and thus afford him an opertunity to serve the cause of his brethern

We beg to remain,
Respected Sir,

The Dewan,
Government of His Highness The Maharaja Of Mysore,
Bangalore.

Respected Sir,

I the undersigned most humbly beg to bring the following few lines to your kind and gracious consideration and early favourable orders.

I am a native of Nanjangud, Mysore District, belonging to the Mudaliar Community and the population of this community in Nanjangud is about 200. I beg to state that this community is a considerable minority in Nanjangud Town. There are no elected representatives of this community in the Town Municipal Council for which elections were held very recently. There is no chance of a candidate of this community being returned to the council by means of a general election since the number of people belonging to this community is rather small when compared to the population of the whole town. I beg to state that I am an educated man, eager to serve the public of this Town and I beg to state further that I am a local sales Representative of Burmah-Shell Oils under Dharmaprakasha.V.D.RajaRam Mudaliar.

I am given to understand that the President, Town Municipal Council, Nanjangud, has recommended my name for nomination to the Municipal Council of this Town which is to be newly constituted from May 15th of 1947. Under these Circumstances, I humbly beg to approach you to be pleased to nominate me as a Councillor, as a representative of The Mudaliar community in Nanjangud, and thus afford me an oppertunity to serve the Public of Nanjangud.

For which act of Kindness, I shall ever remain

Grateful to you

P.T.O.

Sir,

I am an inhabitant of Nanjangud Town, owning house property therein I have been running a private Primary & Nursery School since last four years

The Government of Mysore has been pleased to nominate Lady Councilors to a number of Municipal Councils Though the Government has graciously extended franchise to women, it has been practically impossible for women to get in through elections

Being advised by some of the parents of School children, I contested for a seat in the Municipal Elections of Nanjangud Town, that took place on the 27th of this month The independent candidates, the Congress candidates also contested The old nobled people also were up in arms against me All these three forces were heavy odds against and I lost the elections. The last successful candidate who was a Congress nominee got 126, while I got 124 votes. The difference of two votes brought me the failure.

I request you therefore Sir, to be kind enough, to recommend to the Government of Mysore to nominate a lady to the Municipal Council of Nanjangud.

If the Government be pleased to nominate me, I do hereby promise to serve the Municipality to the best of my ability.

Thanking you

I beg to remain,
Sir,
Your most obedient servant,

B. K Nagamma
